A Note to the parents from Richard Grier:

Attending many basketball camps every summer growing up, I came to expect the same from each. I would be integrated with lots of other kids, play some pick-up games, do a few drills, and go home after about 3 ½ days. The instruction was nothing special and it felt more like a baby-sitting service. I knew I could offer something more beneficial than this. So in 2005, I partnered with JP Blevins, former UK Basketball player, to begin Get the Edge Basketball Camp.

After coaching basketball at the elementary, middle school, high school and college levels, working many basketball camps and offering private instruction, I see one recurring tragedy with young players: many kids have the desire to get better, many have the ability, many possess the work ethic, but most young athletes have no idea HOW to get better. 'Get The Edge' Basketball Camp will solve this problem!

I have coached and run camps for 19 years in this area. Ted Hall (JV Boys Coach at LCA) and Jason Seamands (Varsity Girls Coach at West Jessamine) will assist me again in running the camps. We are confident that we have created the best possible camp in this region. We have partnered with I am 3rd Sports, who have a great tradition in Christian athletics in this region. We have also sought out some of the best coaches in the state! The coaches who will be assisting us with the camp have either played college basketball or have extensive experience coaching the game and have a great love for God and kids.

Don't miss out on this awesome opportunity for us to pass along to you the skills, techniques, practice plan, mentality and the motivation that it takes to get ahead and reach your full potential as a basketball player!

In Christ,

Richard Grier

Campers will develop:

- An understanding and ability of the fundamental skills of basketball
- Advanced skills in the areas of ball handling, dribbling, passing, shooting, defense and more
- Experience through individual daily competitions
- Team concepts through scrimmages each day
- Connections with area coaches through low camper to coach ratio

All campers get a camp shirt, special gift, practice plan & more.

Camp Leadership by:
